Physiological Psychology
1976, Vol. 4 (4), iii-vii

CONTENTS OF VOLUME 4

Adams, P. M., & Barratt, E. S. **The effects of a marijuana extract on two-choice discrimination learning in the squirrel monkey** 155
Alpern, H. P. See Stripling, J. S.
Amsel, A. See Brake, S. C.
Andreasen, A. G. See Clarke, A. M.
Arabie, G. J. See Thompson, R.
Baldwin, R. B. See Bresnahan, J. C.
Bali, L. See Yagi, A.
Barratt, E. S. See Adams, P. M.
Barry, R. J. **Failure to find the "local" EEG OR to low-level auditory stimulation** 171
Bean, N. J. See Mollenauer, S.
Berger, E. H. See LeVere, T. E. (2)
Berger, R. J. See Taub, J. M.
Berk, A. M. See Miller, R. R.
Bigler, E. D., & Fleming, D. E. **Effects of shock-induced arousal on the elicitation and waveform elaboration of photically evoked afterdischarges** 86
Boren, J. L., & Gallup, G. G., Jr. **Amphetamine attenuation of tonic immobility in chickens**.. 429
Braitman, D. J., & Wilson, W. A., Jr. **The role of the pretectum in the acquisition and retention of visual discrimination habits in monkeys**..... 18
Brake, S. C., Burdette, D. R., & Amsel, A. **Plasma corticosterone levels in the rat following discrete-trial discrimination or a single extinction trial**..... 180
Bresnahan, J. C., Meyer, P. M., Baldwin, R. B., & Meyer, D. R. **Avoidance behavior in rats with lesions in the septum, fornix longus, and amygdala**..... 333
Brown, T. S. See Levin, D.
Brush, F. R. See Randich, A.
Buerger, A. A. See Spada, F.
Burdette, D. R. See Brake, S. C.
Burton, J.-A. See Davis, H.
Bush, H. D., Bush, M. A. F., Miller, M. A., & Reid, L. D. **Addictive agents and intracranial stimulation: Daily morphine and lateral hypothalamic self-stimulation**..... 79
Bush, M. A. F. See Bush, H. D.
Callaway, E. See Yagi, A.
Carlson, V. R., & Feinberg, I. **Judgments of short time intervals following awakenings from different EEG stages of sleep**..... 341
Carroll, D., & Pokora, J. **The effects of threat of shock on SCR habituation to simple auditory stimuli**..... 94
Chisholm, D. C., & Trowill, J. A. **Effects of response experience and concurrent hypothalamic stimulation on electrically elicited behavior**..... 195
Church, R. M., & Lerner, N. D. **Does the headless roach learn to avoid?**..... 439
Clark, G. M. See Williams, A. J.
Clarke, A. M., Michie, P. T., Andreasen, A. G., Viney, L. L., & Rosenthal, R. **Expectancy effects in a psychophysiological experiment** . 137
Clarkson, D. See Taub, J. M.
Cox, V. C. See Watson, P. J.
Crnic, L. S. **The effects of chronic lithium chloride administration on complex schedule performance, activity, and water intake in the albino rat**..... 166
Crow, L. T., Westveer, J. J., & Kass, R. A. **Satiety-dependent microbehaviors in water ingestion by the rat: The effects of alcohol on response duration** 163
Cudillo, C. A. See Stern, J. J.
Daniel, D. See Miller, R. R.
Davis, H., Porter, J. W., Burton, J.-A., & Levine, S. **Sex and strain differences in lever-press shock escape behavior**..... 351
Davis, N. See LeVere, T. E. (2)
Davis, W. M. See Smith, S. G. (2)
Deaux, E. **A psychophysiological influence on the choice of illicit drugs** 400
Dooling, R. J., & Walsh, J. K. **Auditory evoked response correlates of hearing in the parrakeet (*Melopsittacus undulatus*)** 224
Dooling, R. J., & Walsh, J. K. **Auditory evoked response correlates of hearing in the parrakeet (*Melopsittacus undulatus*) (1975, 4, 224-232)—Erratum**..... 268
Doubleday, C. N. See Taub, J. M.
Doust, J. W. L., & Podnieks, I. **Properties of an ultradian biological clock regulating sensory perception in man: A longitudinal study**..... 523
Dunn, A. J. See Isaacson, R. L.
Dutta, P. See Overton, D. A.
Dyer, R. S., Weldon, D. A., & Thoumaian, A. H. **Task-specific effects of d-amphetamine and blindness on BALB/cj mice** 175
Elkins, R. L. See Hobbs, S. H.
Ercole, M. A. See Overton, D. A.
Farber, P. D., Gorman, J. E., & Reid, L. D. **Morphine injections in the taste aversion paradigm** 365
Farber, P. D., & Reid, L. D. **Addictive agents and intracranial stimulation (ICS): Daily morphine and pressing for combinations of positive and negative ICS**..... 262
Fath, S. J., Wallace, L. A., & Worsham, R. W. **The effect of intermittent auditory stimulation on the occipital alpha rhythm** 185
Feinberg, I. See Carlson, V. R.

File, S. A. **A comparison of the effects of ethanol and chlordiazepoxide on exploration and on its habituation** 529
Fjermestad, J. L. See Randich, A.
Fleming, D. E. See Bigler, E. D.
Fraley, S. M. See Randich, A.
Frankl, M. B. See Woodruff, M. L.
Freedman, N. L., & Ward, R. **Saccharin aversion produced by reversible functional cortical ablation** 485
Freedman, N. L. See Lyons, H. I.
Froehlich, J. C. See Randich, A.
Gaas, E. See Gatchel, R. J.
Gabriel, M. **Short-latency discrimination unit response: Engram or bias?** 275
Gabriel, M., Miller, J. D., & Saltwick, S. E. **Multiple-unit activity of the rabbit medial geniculate nucleus in conditioning, extinction, and reversal** 124
Gaito, J. **A forced behavior paradigm as a means for elucidating behavioral and biological functions as an alternative to a learning paradigm** 114
Gaito, J. **An oscillation effect during sequential alternations of unilateral amygdaloid stimulations within the kindling paradigm** 303
Gaito, J. **Molecular psychobiology of memory: Its appearance, contributions, and decline** .. 476
Gallup, G. G., Jr. See Boren, J. L.
Gans, D. P. See Haroutunian, V.
Gatchel, R. J., & Gaas, E. **Effects of arousal level on short- and long-term habituation of the orienting response** 66
Gay, P. E., & Leaf, R. C. **Rat strain differences in pilocarpine-induced mouse killing** .. 28
Ginsburg, B. E. See Yanai, J.
Gomer, F. E., Spicuzza, R. J., & O'Donnell R. D. **Evoked potential correlates of visual item recognition during memory-scanning tasks** 61
Goodell, N. A. See Moore, J. W.
Gorman, J. E. See Farber, P. D.
Haroutunian, V., Riccio, D. C., & Gans, D. P. **Suppression of drinking following rotational stimulation as an index of motion sickness in the rat** 467
Hatton, D. C. See Woodruff, M. L.
Hendricks, S. E., & Weltin, M. **Effect of estrogen given during various periods of prepuberal life on the sexual behavior of rats** 105
Hinderliter, C. F. See Wetsel, W. C.
Hobbs, S. H., & Elkins, R. L. **Baitshyness retention in rats with olfactory-bulb ablations** . 391
Holland, R. C. See Smith, M. O.
Homan, B. J., & Kling, J. W. **Effects of signal intensity and reinforcer intensity on detection of electrical brain stimulation** 498
Horrell, R. I., & Redgrave, P. **The effect of food deprivation on escape from electrical stimulation of the VMH** 233
Houser, V. P. **The effects of chlorpromazine upon fear-motivated behavior in the squirrel monkey** 189
Hsiao, S., & Smutz, E. R. **Thirst-reducing and hunger-inducing effects of water and saline by stomach-tubing vs. drinking in rats** 111
Isaacson, R. L., Dunn, A. J., Rees, H. D., & Waldock, B. **ACTH$_{4-10}$ and improved use of information in rats** 159
Isaacson, R. L. See Street, W. J.
Johnson, R. See Mitchell, D.
Kass, R. A. See Crow, L. T.
Kelsey, J. E. **Behavioral effects of intraseptal injections of adrenergic drugs in rats** 433
Keselica, J. J., & Rosinski, R. R. **Spatial perception in colliculectomized and normal golden hamsters (*Mesocricetus auratus*)** 511
Kimble, D. P. **Changes in behavior of hippocampal-lesioned rats across a 6-week postoperative period** 289
Kimmel, H. D., Olson, S. J., Stephenson, J. M., & Ray, R. L. **Percent of longitudinal body contraction and latency of response onset in planaria as a function of intensity of electric shock** 389
King, K. R. **Lipostatic control of body weight: Evidence of humoral mediation** 405
King, M. G. See Punch, J. C.
Kirby, R. H., Pick, D. F., & Riddick, M. S. **Discrimination between heavy water and deionized water using gustation vs. olfaction in humans** 102
Kirkby, R. J. **Startle responsivity following telencephalic lesions in the rat** 383
Kirkby, R. J., & Polgar, S. **Caudate nucleus lesions and active avoidance: A reply to Winocur** 135
Kling, J. W. See Homan, B. J.
Kowalczyk, L. See Trafton, C. L.
Leaf, R. C. See Gay, P. E.
Lerner, N. D. See Church, R. M.
LeVere, T. E., Davis, N., Mills, J., & Berger, E. H. **Arousal from sleep: The effects of the cognitive value of auditory stimuli** 376
LeVere, T. E., Davis, N., Mills, J., Berger, E. H., & Reiter, W. F. **Arousal from sleep: The effects of the rise-time of auditory stimuli** 213
Levin, D., & Brown, T. S. **Approach and consummatory behavior in rats with hippocampal lesions** 76
Levine, S. See Davis, H.
Lloyd, J. E. M. See O'Gorman, J. G.
Longuski, P. A. See Stern, J. J.

Lyons, H. I., & Freedman, N. L. **Functional cortico- and amygdalohypothalamic interaction in drinking behavior** 447
Macleod, R. See Trafton, C. L.
Markowitsch, H. J., & Pritzel, M. **Learning and the prefrontal cortex of the cat: Anatomico-behavioral interrelations** 247
Matyas, T. A. See Punch, J. C.
Mazzagatti, N. J. See Posner, I.
McCanne, T. R., & Sandman, C. A. **Proprioceptive awareness, information about response-reinforcement contingencies, and operant heart-rate control** 369
Merrill, H. K. **Conditioned suppression in rats responding for hypothalamic brain stimulation** 151
Meyer, D. R. See Bresnahan, J. C.
Meyer, M. E., Severson, G. A., & Thompson, R. W. **Scopolamine, methylscopolamine, and response conditioned inhibition in rats** .. 43
Meyer, M. E. See Woodruff, M. L.
Meyer, P. M. See Bresnahan, J. C.
Michalewski, H. J., & Weinberg, H. **Observations of the CNV during a simple auditory task** 451
Michie, P. T. See Clarke, A. M.
Milberg, L. See Plotnik, R.
Miley, W. M. See Posner, I.
Miller, J. D. See Gabriel, M.
Miller, M. A. See Bush, H. D.
Miller, R. R., Ott, C. A., Daniel, D., & Berk, A. M. **ECS-induced amnesia and recovery of memory for classically conditioned fear in the rat** 57
Mills, J. See LeVere, T. E. (2)
Mitchell, D., Parker, L. F., & Johnson, R. **Absence of a generalization decrement in the poison-induced avoidance of interoceptive stimuli in the rat** 121
Mollenauer, S., Plotnik, R., & Bean, N. J. **Effects of scopolamine on smell discrimination in the rat** 357
Mollenauer, S. See Plotnik, R.
Moore, J. W., Goodell, N. A., & Solomon, P. R. **Central cholinergic blockade by scopolamine and habituation, classical conditioning, and latent inhibition of the rabbit's nictitating membrane response** 395
Mos, L. P. **Light-rearing effects on factors of mouse emotionality and endocrine organ weight** 503
Nielson, H. C. See Pusakulich, R. L.
Nikaido, R. See Valle, F. P.
O'Donnell, R. D. See Gomer, F. E.
O'Gorman, J. G., & Lloyd, J. E. M. **Alpha blocking to the omission of a stimulus** 285
Olson, S. J. See Kimmel, H. D.
Ott, C. A. See Miller, R. R.
Overton, D. A., Ercole, M. A., & Dutta, P. **Discriminability of the postictal state produced by electroconvulsive shock in rats** 207
Paré, W. P. See Vincent, G. P.
Parker, L. F. See Mitchell, D.
Phillips, D. S., & Stainbrook, G. L. **Effects of early alcohol exposure upon adult learning ability and taste preferences** 473
Pick, D. F. See Kirby, R. H.
Pickens, R. See Yokel, R. A.
Plotnik, R., Mollenauer, S., & Milberg, L. **Scopolamine and food-reinforced behavior in the rat** 443
Plotnik, R. See Mollenauer, S.
Podnieks, I. See Doust, J. W. L.
Pokora, J. See Carroll, D.
Polgar, S. See Kirkby, R. J.
Porter, J. W. See Davis, H.
Posner, I., Miley, W. M., & Mazzagatti, N. J. **Effects of d-amphetamine and pilocarpine on the mouse-killing response of hungry and satiated rats** 457
Prewett, M. J., & Thomas, R. K. **Interactions of ECS and a light-dark cycle on one-way avoidance learning in rats** 118
Pritzel, M. See Markowitsch, H. J.
Punch, J. C., King, M. G., & Matyas, T. A. **ECG T-wave amplitude, muscle tension, and heart rate concomitants of conditioned suppression** 294
Pusakulich, R. L., & Nielson, H. C. **Cue use in state-dependent learning** 421
Rager, K. See Thorne, B. M.
Randich, A., Froehlich, J. C., Fraley, S. M., Fjermestad, J. L., & Brush, F. R. **Pituitary-adrenal activity and appetitive reinforcement** 346
Ray, R. L. See Kimmel, H. D.
Redgrave, P. See Horell, R. I.
Rees, H. D. See Isaacson, R. L.
Reid, L. D. See Bush, H. D.
Reid, L. D. See Farber, P. D. (2)
Reid, L. D. See Rossi, N. A.
Reiter, W. F. See LeVere, T. E.
Remington, R. See Taub, J. M.
Riccio, D. C. See Haroutunian, V.
Riccio, D. C. See Wetsel, W. C.
Riddick, M. S. See Kirby, R. H.
Rosenthal, R. See Clarke, A. M.
Rosinski, R. R. See Keselica, J. J.
Rossi, N. A., & Reid, L. D. **Affective states associated with morphine injections** 269
Rust, J. **Generalization and dishabituation of the orienting response to a stimulus of lower intensity** 99
Saltwick, S. E. See Gabriel, M.
Sandman, C. A. See McCanne, T. R.
Severson, G. A. See Meyer, M. E.
Sisk, G. B. See Thompson, R.

Sjödén, P.-O. **Effects of neonatal thyroid hormone stimulation and differential preweaning rearing on spatial discrimination learning in rats** 515
Sjödén, P.-O., & Söderberg, U. **Effects of neonatal thyroxine stimulation on adult open-field behavior and thyroid activity in rats** 50
Smith, M. O., & Holland, R. C. **Effects of lesions of the nucleus accumbens on food intake and body weight** 361
Smith, S. G., Werner, T. E., & Davis, W. M. **Comparison between intravenous and intragastric alcohol self-administration** 91
Smith, S. G., Werner, T. E., & Davis, W. M. **Effects of tolerance on intravenous morphine self-administration behavior** 97
Smutz, E. R. See Hsiao, S.
Söderberg, U. See Sjödén, P.-O.
Solomon, P. R. See Moore, J. W.
Spada, F., & Buerger, A. A. **Effect of stimulus location and response measure on an instrumental avoidance conditioning paradigm in spinal rat** 219
Spicuzza, R. J. See Gomer, F. E.
Stainbrook, G. L. See Phillips, D. S.
Stanley, G. V. See Williams, A. J.
Stephenson, J. M. See Kimmel, H. D.
Stern, J. J., Cudillo, C. A., & Longuski, P. A. **Estradiol benzoate, norepinephrine, and weight regulatory behavior in female rats** ... 45
Street, W. J., & Isaacson, R. L. **Early experience and the development of perseverative responding** 489
Stripling, J. S., & Alpern, H. P. **Sensory input and cholinergic agents: Interacting effects on short-term memory in the mouse** 69
Surwillo, W. W. **Analysis of interval histograms of period of the electroencephalogram from homologous left and right derivations in verbal and nonverbal tasks** 307
Surwillo, W. W. **Signal detection during watchkeeping in relation to heart rate** 461
Tanguay, P. E. See Taub, J. M.
Taub, J. M., & Berger, R. J. **Effects of acute sleep pattern alteration depend upon sleep duration** 412
Taub, J. M., Tanguay, P. E., Doubleday, C. N., Clarkson, D., & Remington, R. **Hemisphere and ear asymmetry in the auditory evoked response to musical chord stimuli** 11
Thomas, R. K. See Prewett, M. J.
Thompson, M. E. See Thorne, B. M.
Thompson, R. **Stereotaxic mapping of brainstem areas critical for memory of visual discrimination habits in the rat** 1
Thompson, R., Arabie, G. J., & Sisk, G. B. **Localization of the "incline plane discrimination memory system" in the white rat** 311
Thompson, R. W. See Meyer, M. E.
Thorne, B. M., Rager, K., & Topping, J. S. **DRL performance in rats following damage to the septal area, olfactory bulbs, or olfactory tubercle** 493
Thorne, B. M., & Thompson, M. E. **The effect of different types of mice upon muricidal behavior in the Long-Evans rat** 238
Thoumaian, A. H. See Dyer, R. S.
Topping, J. S. See Thorne, B. M.
Trafton, C. L., Kowalczyk, L., & Macleod, R. **The effects of bilateral cingulate cortex lesions on morphine withdrawal symptoms in rats** 149
Trowill, J. A. See Chisholm, D. C.
Valle, F. P., & Nikaido, R. **Body weight in rats: Effects of day vs. night meals** 464
Vardaris, R. M. See Weisz, D. J.
Vincent, G. P., & Paré, W. P. **The activity-stress ulcer in the hamster** 521
Viney, L. L. See Clarke, A. M.
Waldock, B. See Isaacson, R. L.
Wallace, L. A. See Fath, S. J.
Walsh, J. K. See Dooling, R. J. (2)
Ward, R. See Freedman, N. L.
Waters, R. S. See Yeterian, E. H.
Watson, P. J., & Cox, V. C. **An analysis of barbiturate-induced eating and drinking in the rat** 325
Weinberg, H. See Michalewski, H. J.
Weisz, D. J., & Vardaris, R. M. **Effects of Δ-9-tetrahydrocannabinol on the slope of auditory generalization gradients in rats** 145
Weldon, D. A. See Dyer, R. S.
Welkin, M. See Hendricks, S. E.
Werner, T. E. See Smith, S. G. (2)
Westveer, J. J. See Crow, L. T.
Wetsel, W. C., Riccio, D. C., & Hinderliter, C. F. **Effects of artificial rewarming upon hypothermia-induced retrograde amnesia** ... 201
Williams, A. J., Clark, G. M., & Stanley, G. V. **Pitch discrimination in the cat through electrical stimulation of the terminal auditory nerve fibers** 23
Wilson, W. A., Jr. See Braitman, D. J.
Wilson, W. A., Jr. See Yeterian, E. H.
Woodruff, M. L., Hatton, D. C., Frankl, M. B., & Meyer, M. E. **Effects of scopolamine and physostigmine on tonic immobility in ducks and guinea pigs** 198
Worsham, R. W. See Fath, S. J.
Wyrick, R. A. **The effect of water and isotonic saline preloads on the reduction of complex thirst** 387
Yagi, A., Bali, L., & Callaway, E. **Optimum parameters for the measurement of cortical coupling** 33

Yanai, J., & Ginsburg, B. E. **Long-term effects of early ethanol on predatory behavior in inbred mice** 409
Yeterian, E. H., Waters, R. S., & Wilson, W. A., Jr. **Posterior cortical lesions and specific crossmodal transfer in the rat** 281
Yokel, R. A., & Pickens, R. **Extinction responding following amphetamine self-administration: Determination of reinforcement magnitude** 39
